Module overview

Your learning journey

Module focus: Preparing for the EPA

Review AM1 and AM2

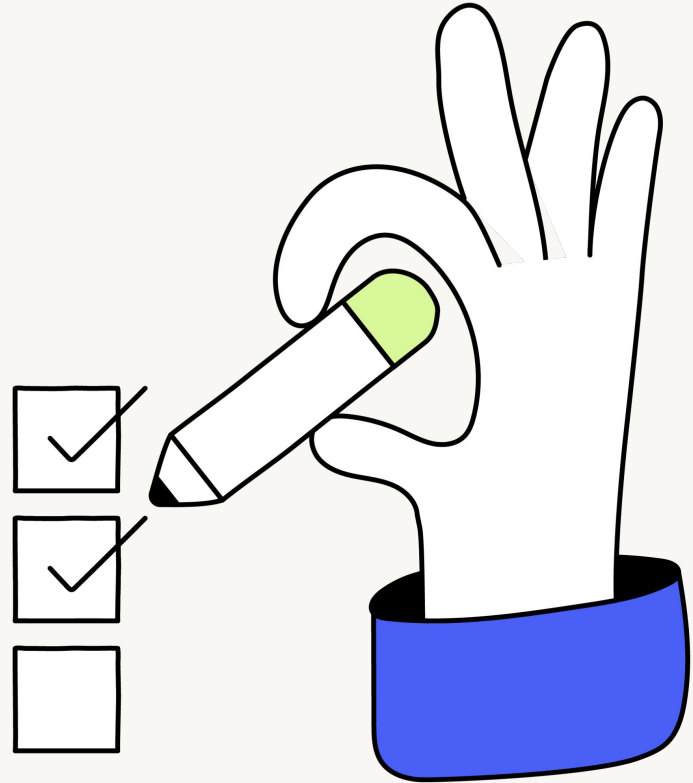

Workshop 1 will focus on AM1, the work based project

Workshop 2 will focus on AM2, the portfolio

You will have independent time in each session to work on your EPA readiness

Your EPA

AM1: The work based project

- A work-based project that represents typical business tasks, appropriate for demonstrating the skills and knowledge of the standard.
- 5,000 word project report for a project that creates business value
- 20 minute presentation of the project and evaluation report
- Answer a minimum of 6 questions based on your project and presentation (30 minutes)
- Additional information:
 - The project itself must be completed after your Gateway meeting.
 - At Gateway, you need to submit the title and scope for your project and you will have 8 weeks to complete the project and submit the report.

AM2: The portfolio

- 90-minute discussion based on your professional portfolio of work
- You will be building your portfolio of evidence over the course of the program
- Additional information:
 - This is the professional discussion which is underpinned by your portfolio.
 - You will submit a portfolio at your gateway meeting. The assessor will read this to inform the questions they'll ask at the professional discussion, then you will have an 90-minute live professional discussion based around what you wrote in your portfolio.
