

Module 14

Wrap-up Workshop

Before we start...

- Make sure you are comfortable
- Have water and a coffee or tea handy
- Have Module 14 on my.multiverse.io open
- If you need a break - take it!
- If you need a stretch – please go ahead!
- Please mute yourselves if you are not talking
- If you're able to, have your video on

Agenda

- Key takeaways from Module 13
- Q&A
- Wrapping up
- Closing out

Module 14

key takeaways

Key takeaways

1

You are towards the end of your AI ML Fellowship Program, congrats!

2

To prepare for your WBP, make sure you have identified a project, and complete the WBP summary.

3

To prepare for your portfolio, respond to any feedback received by your coach, and review the grading criteria so you feel confident in the professional discussion.

What aspect of the EPA do you feel most prepared for?

EPA Timeline

Gateway Meeting
